

**TOWN OF BRISTOL**  
**ENHANCED ENERGY PLAN SUBCOMMITTEE**  
**Tuesday, December 18, 2018 6:00 PM**  
**Holley Hall**

**AGENDA**

**Enhanced Energy  
Plan Subcommittee  
Members**

Andrew L'Roe  
Ian Albinson  
Richard Butz  
Mark Gibson  
Robert Rooker

**I. Call to order: 6:00 PM**

**II. New business**

Project introduction and discussion of the main required parts of the enhanced energy plan, which include:

- An analysis of current energy use and renewable energy projects and targets for 2025/2035/2050 reductions (Analysis and Targets Standards)
- A set of goals and recommended actions to achieve energy targets (Pathways/Implementation Actions Standards)
- Mapping of areas that are "Preferred Sites" for energy production facilities, and areas that are unsuitable for energy development (Mapping Standards)
