Re: Town of Bristol support for Main Street sidewalk improvements project

Dear Mr. Kaplan,

On behalf of the Bristol Selectboard, the Town of Bristol strongly supports this Main Street improvement project and the submission of this grant application. The Selectboard has demonstrated a strong commitment to investing in its downtown through a series of major capital projects in recent years to improve public safety and access. It has committed in-kind and cash resources to support this project and acknowledges its responsibility for future and on-going maintenance. The Bristol Public Works Department is prepared to provide all-season maintenance of the facilities.

Please let us know if you need any other information.

Sincerely,

Joel Bouvier, Chair
Town of Bristol Selectboard
