

Suggested sidewalk replacement schedule:

2018 - 606 feet		
Maple St. West to Church		340 feet
Maple St. Pleasant south		60 feet
Mountain St. Spring to school driveway		206 feet
2019 - 631 feet		
Mountain St. Garfield to Spring		531 feet
Park Place east end		100 feet
2020 - 600 feet		
East St. north side		600 feet
2021 - 540 feet		
East St. finish north side		160 feet
Garfield St. south side east to west		320 feet
Garfield St. skip 250 ft.		60 feet
2022 - 500 feet		
Garfield St. north side, east end		100 feet
Park Place west side		100 feet
School St. middle section		75 feet
North St. east side, Fitch south		110 feet
Church St. Maple to Corkins driveway		75 feet
2023 - 625 feet		
Spring St.		625 feet
2024 - 665 feet		
Fitch Ave.		665 feet
2025 - 600 feet		
Elm St.		600 feet
2026 - 630 feet		
Elm St.		200 feet
North St. east side Spring north		430 feet
2027 - 600 feet		
East St. south side		600 feet
2028 - 480 feet		
East St. south side		480 feet

\*East side of Mountain St. is bad but no one uses it.

\*\*West side of Maple St. may be a higher priority than south side of East St.
