

## **Bristol Energy Committee**

**August 28, 2019 Town Offices, 7pm**

### **Meeting Notes**

Present: Sally, Stephen, John, Richard

#### **Agenda:**

#### **1. Window Dressers Pilot Update**

- Stephen brought in a sample window
- We have 9 interested people, we hold at 10 sign-ups with a waiting list.
- Our orders will be due November 6, Construct last week of January
- Stephen purchased a laser measurer.
- Will begin by measuring an applicant's home on 9/11 at 9:00 (Stephen, Sally, Richard)
- Need to look at a supply of card board to use when windows are stored

#### **2. Harvest Festival Booth 9/28 10:00 - 4:00**

- We have a booth reserved
- Build larger sample window for display (Richard)
- New Button-up Plan: webinar coming up, we'll wait to plan until we see this year's incentives and then schedule an event.
- Plan to get testimonials from last year's participants
- We will run the webinar on a laptop during Harvest Festival (Richard)

#### **3. TCI Initiative (TransportationClimate Initiative)**

- Rights and Democracy is focusing on Transportation/Climate Change
- John and R&D (Kate Logan) published a commentary in VT Digger, with several favorable reactions.

- John will work on a briefing after meeting with principals.
  - John proposes that we send the commentary to all Energy Committees so they can influence the Climate Solutions Caucus. The committee concurs.
4. **GMP/EV Charging Station Inquiry:** Green Mountain Power is offering EV charging stations to five town in Addison County. Station will have to mounted on a local business or municipal site that will be willing to pay the typical \$6 monthly charge because the unit will not be equipped to accept payments.
  - Sally will ask Ian for his advice re: locations via Bristol Core. (Walgreens?)
  5. **Find out who at the high school is mentoring students re: Climate Strike.**  
(Sally will check)
  6. **Next Meeting: September 18, 7:00pm at the Town Hall meeting room.**

Meeting Adjourned at 8:15
