Town of Bristol:

I have an interest in being considered for the recent open select board position. I enjoy being involved in things bigger than myself. I was made aware that the town of Bristol needed help, at least until March. I would be happy to help out my town.

I have knowledge and experience that the board and the town may find helpful. (familiar with the town and the village functions, a town resident, a business owner)

Pardon the brevity of email but I don't think it is necessary to send a lengthy letter trying to sell myself.

If the board feels I can be helpful I would be happy to serve.

Thank you for your consideration.

Eric

Hi Eric,

Thank you for letting us know you are interested! The notice references a "letter of interest" to be provided for the Selectboard. In this day and age, it can also be an e-mail, but the expectation is a communication in writing with some substance about why you are interested. This will be on the October 7 agenda and the Selectboard will be expecting to meet with candidates who are able to be there. Although there is no specific deadline, letters of interest could be welcomed right up to the evening of the meeting, but sooner would be very appreciated.

I will be on the move for the next two weeks, but will be checking in when I can. Let me/us know if you have any other questions.

Be well,

-Valerie
