Town of Bristol

I am interested in serving on the Bristol select board.

I have lived in Bristol for over 50 years. I have owned several businesses in town most successful is Bristol Electronics which I started on Main st in June ,1972 and my wife business ,Yarn and Yoga. 2 years ago I sold Bristol Electronics to my oldest daughter and grandson. after 5 years of producing over \$1,000,000.00 in revenues my kids have improved the business and now employ 8 local peoplel .

I have been a member of Bristol Rescue for 25 years and spent 50 years as a member of the Sugarbush Ski Patrol.

I served on the Mnt. Abe rehab committee and the Bristol Energy committee .

This past year I took a leave from the energy committee to build a new home in Bristol after selling our previous home to my grandson and his growing family.

Being an active part of the local business community, I feel I can contribute some of my energy to the Bristol Select Board.

Sincerely

Hi Dave

Thank you for letting us know you are interested! The notice references a "letter of interest" to be provided for the Selectboard. In this day and age, it can also be an e-mail, but the expectation is a communication in writing with some substance about why you are interested. This will be on the October 7 agenda and the Selectboard will be expecting to meet with candidates who are able to be there. Although there is no specific deadline, letters of interest could be welcomed right up to the evening of the meeting, but sooner would be very appreciated.

Thank you.
