Dear Valerie,

I would like to be considered for the Bristol Selectboard.

I am an active citizen in my community here in Bristol and although I do not have any kind of a background in politics, I am on the board of a local non-profit organization: The Brendon P. Cousino Med47 Foundation.

I currently work as an Accounts Receivable Specialist at Silver Maple Construction. I have spent the last 8 years working in Accounting, Payroll, Human Resources and Marketing. In addition to that I am a part-time computer teacher at the Hannaford Career Center in Middlebury. I have a degree in PC and Network Support and I spent 13 years as a full time Computer Teacher. I am currently finishing up a second degree in Human Services and in the future hope to work full time for an organization like Hope Works (in Burlington) or WomenSafe in Middlebury where I currently volunteer. I have been a licensed foster parent for the last 7 years.

I have lived in Bristol Village for the last 10 years although I grew up in Bristol and attended Mt. Abe (obviously quite a while ago!). I care very much about my town and I would love to be a part of the Selectboard and have a say in some of the decisions that are made for it.

Thank you for considering my request. I look forward to hearing from you.

Best,

Annie
