Explanation of what grant funds will be used for:

Secondary Funding source for building greenhouse. The money would be applied to the same project that the Shaw grant is for. It would allow for us to buy a better greenhouse, more supplies, or in the case we got one or the other grants we would be able to still go forward with the project. The Home Depot grant provides money in gift cards, we could purchase the greenhouse kit, plants, shelves, everything from Home Depot. They want support from veterans, and several of our Community Advisory Board members who are enthusiastic about the project are veterans. As the space would also be a new Rec department asset we could host programing there to engage the aging population in Bristol, many of who have served our country.
