Subject: Congratulations

On behalf of the entire department I would like to congratulate Peter Coffey and Kevin LaRose who were both recognized last night at the Addison County Firefighters Association annual meeting for their commitment and dedication to the fire service.

Honorary Chief Officer, ACFA Life Member and Past President Peter Coffey was honored by having the 2020 Addison County Regional Fire School dedicated to him. That's quite an honor and well deserved.

Assistant Chief Kevin LaRose received the ACFA Fire Chief of the Year award. Very deserving recognition for this 25 year veteran.

A big thanks to the BFD Recognition & Awards group for their outstanding work. Researching, selecting and writing nomination letters is a difficult job. Nice work fellas.

2019 Honorable mentions are nominees are Matthew Lathrop for Line Officer of the Year and James Goodyear for Firefighter of the Year.

Special guests at last's nights meeting included Governor Scott and LT Governor Zuckerman.

Congratulations Peter and Kevin!

Brett LaRose
