Subject: Phone Update

Good Morning Valerie,

Can we add to the agenda for Monday the 16th the agreement with Waitsfield & Champlain Valley Telecom regarding the upgrades to the telephones? There shouldn't be much discussion other than, the phones we got 5 years ago are no longer supported by Polycom, which means when they are toast, they are gone and we would have to upgrade. Trading these phones in would give us a rebate, plus pan out to be a little bit cheaper for each month.

Kris Merchant will send over 3 agreements, one for the Town building, one for the Fire Station and one for the Police station. As for the install of the new phones, that won't take place until mid-April or later.

Thank You,

Jen Myers
