To: Bristol Town Administrator <townadmin@bristolvt.org>

Hi Valerie,

I wanted to check in to see if I might get on the Select Board's schedule at some future meeting to provide an update of legislative bills surrounding covid. S. 343 Is being passed today and relates to municipal tax collection options, for example.

In any case, if it a update to the select board would be useful I would be happy to appear at their convenience.

Best,
Caleb Elder
