Good Afternoon,

I thought I would keep you all in the loop about property tax revenues since you will see a bill in the warrants this week to pay the school. Last year as of April 5<sup>th</sup>, we had collected 97.08% of the taxes due. With all that has happened and is currently going on, as of May 5<sup>th</sup> (the updated due date), we have collected 96.80% of the taxes due for the year. Pretty great to say the least, which should put us in good shape to end the fiscal year!

Let me know if you have questions.

Enjoy the sunshine!

Thank You,
