(revised 5/28/20)

What Parents Can Expect (VT Dept of Health)

BRD COVID19 Camp Guideline Video

The Bristol Recreation Department is committed to providing a safe experience for all campers, parents, and staff. Staff will follow all of the above guidelines and/or any additional guidelines provided by the State of Vermont or the CDC.

Our longest-running program!

This camp offers hiking, swimming, paddling, games & more! Participants should be willing to do it all. A great deal of time is spent outside and near water. The ability to swim is strongly suggested.

A letter will be sent home a week prior to camp with information about the week's activities and what to bring.

This memory-making camp is in its 20th year. This Camp fills quickly so don't delay in registering. \* Lunch is included.

Location: Bristol Hub Teen Center
