Hi Valerie

Richard of R&L called with pricing for an additional trash pickup weekly.

1st option – have DPW crew pick up trash on the additional day and leave at Barn and R&L will pick up on Saturday and he wouldn't charge us extra for the extra trash. He would still pick up on Friday.

2nd option – if R&L has to come up a second day each week it would cost an additional \$55 each visit. He does not have anyone in this area for trash pick-up other than on Friday.

We currently pay \$250 per month for weekly trash and recycling pick-up.

Thanks.
