Subject: TOWN OF BRISTOL EMERALD ASH BORER STRATEGIC PLAN COMMITTEE

Hello

Myself and my highly active 80 year old (and keenly interested in all things flora) mother, are both wishing to volunteer for this effort . Our hope would be that we can accompany one another, so perhaps it would make most sense if only one iPad were issued?

We are both living right in downtown Bristol on North Street and she has already identified a number of the Ash trees!

In appreciation of your consideration,

Mark Adams and Jill Steinberg
