Valerie,

It appears Heritage is not having luck finding a 2020 truck at the same cost they quoted, they located one with more features; the cost would be \$37,858. We can wait for 2021 to be built, would be 06-07/2021.

Claremont Ford of New Hampshire, the other quote \$34,200, has the truck in stock (as of 10/21/2020). Can we ask the board for authorization to purchase the truck from NH. They will arrange to have it delivered to us for the price quoted? Is this something we can accomplish via email? There are a few 2020s left and appear to be harder to find at this time, according to Heritage. Some dealers that have them are not willing to trade them to other dealers.

Bruce
