Thanks Meridith and Valerie!

Let me know if I can help in any way. I would be happy to pay for the plaque, the time that it takes for someone to install it and paint for the bench...I would even volunteer to maintain / paint it on a regular basis if that was the town's desire. I really appreciate you bringing this to the attention of the SB. Ed loved the town of Bristol, the park and band concerts, so remembering him there seems quite fitting.

Hi Valerie,

I'm following up on the request for a small plaque to be placed on one of the benches in the Town Green. This request came from Ethan Ready ( Cc'd) for Ed Cushman and the plaque would say "In Memory of Ed Cushman."

May I please add this request to the select Board agenda on March 29<sup>th</sup>.

The pictures attached are two styles of benches in the park. The plaque could be attached to the front or back of the bench. The last picture is of the stationary bench and would be the best option as it is wood and could use a good coat of Forest Green paint.

Thank you,  
Meridith
