Why are you interested? I have utilized the outdoor recreation areas in Bristol (Sycamore Park, Bristol Trail Network, Eagle Park) for two decades and it seems like time to participate in their management and planning.

What skills do you bring to the volunteer position? I am a professional biologist with training in botany and ecology. As such, I have a decent understanding of natural ecosystems. In addition, I served on the board (and as president for 2 years) of The Watershed Center, so I have an understanding of the functioning and purposes of boards.
