Hi Meridith,

I would love to say *go for it*, but because this is requesting the use of public parking spaces within the highway right-of-way, which would be under the purview of the Selectboard, and to be consistent with the food truck application for that same reason, I do think it would require Selectboard approval. They're meeting next Monday. Perhaps it could be viewed as a marketing opportunity!

Thanks for checking,

I would like to approve this park request for the carwash on Sunday May 16<sup>th</sup>. The soap that they will use will be bio-degradable. They will also donate \$20.00 for the water usage. Currently we do not charge for water usage from the park. The 4 parking spaces would be coned off with no traffic in the right of way. I followed up with Bruce and he was supportive on this carwash request.

Do we need to have this go to the Selectboard, or can I approve this park application?  
 Thank you,  
 Meridith
