Hi Nancy,

Thank you for your follow-up e-mail. Attached, FYI, is the Public Displays and Assemblages Ordinance I referenced in my phone message. According to sections 1.2 and 1.3, the the walk-a-thon qualifies as an assembly, but we do not currently have an application process for venues other than the Town parks. In your phone message, you estimated participation by approximately 25 to 50 people. This would fall under the First Class permit category, which would be approved by the Recreation Director (copied). Also copied are Police, Fire, and Public Works department heads for their awareness and opportunity to share any concerns.

Stay well,

--Valerie

Subject: Haiti Walkathon information ~~

Good morning Valerie,

Thank you so much for the phone message regarding the procedure for our upcoming walkathon on June 26th. We will be raising money (and awareness) for an Orphanage in Haiti. This is our 4th annual walk to support the children, teachers and staff at the orphanage. Each year our contribution has helped with a big project they are working on...septic, a new roof, bathroom facilities, beds & bedding, etc. The money raised this year will help to build a new kitchen as well as improve/enlarge bathroom facilities.

Our plan is to have the walkers gather on the lawn of the Baptist Church starting at 9:30am. The walk will begin at 10:00. We have one route that goes along the sidewalks in the village and a second route that would include some

sidewalks as well as a portion of the Bristol Trail Network (the loop behind the fire station). Each route is approx 2 miles long. Walkers will end up back at the Baptist Church for refreshments and prize winners will be announced.

I have contacted the Bristol Police Dept regarding our plan for the walk. I expect I will hear back from them if they need more information or with any questions or concerns.

Thank you for your time in passing this along to the Selectboard. I look forward to hearing back from you. Sincerely,
Nancy Orvis
