DEAR SIR'S;

My name is Michael Bedard, and I am requesting permission for a marker stone - provided by the VA - to be placed in the cemetery on Briggs Hill in the Bedard Plot. There is room there for it. I am to be cremated, and my ashes will be spread elsewhere, so no burial will be necessary. Please let me know if this will be approved, either by mail or phone. I will need a physical address for the cemetery and a signature on the form (for the VA) authorizing this placement in the cemetery. My address and phone number follow.

Thank You,

Michael Bedard
