Good evening Dawn,

Kevin Hanson was kind enough to provide me with your contact information and I am reaching out with regard to the School Board Position vacated by Annie Denny.

Please consider this email as my official Letter of Interest in filling the position until the March Town Meeting day. At that time, I will again run for the open position as I did in March of 2021. I look forward to chatting with you as necessary in order to cement this request and answer any questions which you may have of me with regard to my desire to be a part of the Board. I do have 2 school aged children currently under the MAUSD jurisdiction.

If you wish, I can follow up with an actual letter, notarized if necessary.

Please let me know what else I will need to do. I look forward to your response and to hopefully, beginning to work with you on the Board.

Yours very truly,

William C. "Bill" Mount

To Dawn and Members It May Concern:

I am writing with interest in becoming a valuable addition to the Town of Bristol's School Board.

My husband Trent and I reside in Bristol with our four young children, two of which are students at the Bristol Elementary School. My husband is a native and graduate of the MAUSD district. I believe I can represent a large percentage of parent's with young children.

I am happy to answer or address any other concerns or questions regarding this matter.

Thank you,
