Subject: ARPA funding update and information
Attachments: Local Fiscal Recovery Payments- Addison County Municipalities.xlsx

Dear Addison County municipal officials,

The State of Vermont has published the allocations for the county ARPA funds and started distributing them. This means that municipalities across Vermont should have their second portion of ARPA money **by Labor Day weekend**. The amounts by municipality can be found [HERE](#) and in the attached spreadsheet. As published in the [Governor's August 10 press release](#), "On August 5, Vermont also received over \$60 million of (county) funds which will be distributed to the same 274 municipalities, as well as Burlington and South Burlington within the next 30 days."

ACRPC is working with Vermont League of Cities and Towns (VLCT) to answer questions and help municipalities use ARPA funds. Please find attached a pdf of FAQs that we have assembled along with the US Treasury's [Compliance and Reporting Guidance](#) which contains the 66 Expenditure Categories into which all ARPA spending must fit.

Please keep in mind that the Municipal and County funding can only be used in some specific categories, and you have **3 years to use them**, so **please be patient!** In addition, there is quite a bit of **ARPA state funding being allocated through different agency programs** that may overlap or complement the projects your town wants to accomplish. Holding a public meeting to discuss community desires for strategically using this funding for transformative upgrades is strongly recommended.

If you have questions about spending or coordinating with other municipalities on projects, please contact ACRPC (**802-388-3141**, alroe@acrpc.org or alougee@acrpc.org) and see our [ACRPC website](#) and VLCT's ARPA webpage: <https://www.vlct.org/resources/american-rescue-plan-information>. We will stay abreast of the information and be available to answer questions and provide guidance to make sure that spending requirements and reporting can be met efficiently.

Thank you!

Sincerely,
-Andrew L'Roe
