Subject: ARPA/CLFRF Funds - Updated Timeline for Reporting

Importance: High

Good evening,

Please be advised the U.S. Department of the Treasury has changed its timeline for reporting and shared the following information:

*As a result of the feedback and comments gathered from recipients during the recent Interim Report and Recovery Plan submission process, Treasury is revising the deadline for the submission of the first **Project and Expenditure Report** as follows:*

- *For non-entitlement units of government (NEUs) the report will now be due on **April 30, 2022** and will cover the period between award date and March 31, 2022. This is a change from the previously communicated October 31, 2021 due date for the NEU Project and Expenditure Report.*

Further instructions will be provided at a later date, including updates to existing guidance as well as a user guide to assist recipients to gather and submit the information through Treasury's Portal. Please visit Treasury's website at www.Treasury.gov/SLFRPReporting for the latest information.

Please bookmark VLCT's ARPA webpage and refer to it often for the latest information and updates: <https://www.vlct.org/resources/american-rescue-plan-information>

As always, should you have any questions related to your ARPA award, please don't hesitate to send them my way.

Best,
KB
