RE: Town Moderator Vacancy – Letter of Interest

Dear Members of the Select Board,

I am an attorney and have lived in Bristol for 21 years. I would like to serve my town and I believe the role of town moderator is a good fit for my skills and experience. I intend to run for the office in 2022.

I have served on three different Vermont boards of directors for a cumulative twenty-two years. Each board followed modified Robert's Rules of Order, and I will learn all the Rules for the moderator position. Plus, I know I'll have help. I have observed at town meeting several townsfolk who keep the moderator honest by pointing out the appropriate rules.

I have experience guiding people unfamiliar with the rules of discourse to express themselves. As an appointed Acting Judge in Addison County for over a decade, I gently instructed and guided self-represented litigants to present their cases within the rules of evidence and courtroom procedure.

Finally, I have been the emcee of Maiden Vermont Chorus for over a decade, performed in many local community theater productions, done comedy improv and performed a short set of stand-up comedy at the Flynn Space. I am very comfortable with public speaking.

I value the importance of the group process in Town Meeting to allow inclusion, expression and, hopefully, satisfaction with or at least understanding of the results.

I hope to meet with you to discuss my interest further.

Yours truly,

Jennifer Wagner
