**Subject:** Bristol Solar Site In-Progress Site Tour

Hi Valerie,

Next week, on Veterans Day, I will be doing a tour of the site for the Acorn folks and I would like to invite you and anyone else from the Town office who is interested. We will be meeting down at the site at 9:00 on the 11th. I know it is a holiday and folks are off so it may not be the best time for you, but our permit forbids us from working on Holidays so the site will be shut down for the day.

There is no official reason for a tour, except for the excitement around the project and so I thought this would be a good opportunity for folks to take an up close look. No RSVP needed.

Be well,  
Nick
