RE: Grant Application for Intersection of Basin and Main Street, Erosion Project

Dear Valerie,

Thank you for your recent application for funding to the SFY2022 Municipal Highway & Stormwater Mitigation Program. Unfortunately, your project was not recommended for funding this year. This grant cycle was very competitive with 29 applications and requests totaling \$14 Million.

Once again, thank you for your interest in this program and we encourage you to seek funding from the Municipal Highway & Stormwater Mitigation Program in future years. If you have any questions, please do not hesitate to contact me at the VTrans Municipal Assistance Section at 802-595-2381.

Sincerely,

A handwritten signature in black ink that reads "Ross Gouin".
