Explanation of what grant funds will be used for: The Bristol Hub serves teens in the community, many of which come from households with a lower than average socio-economic status. During the winter we notice a lot of teens that come to the Hub without adequate cold weather gear. The community has been incredibly generous donating jackets, sweaters, and othe gear that they have in surplus in their home. The Hub wants to request money from Neat Repeats so we can purchase winter boots, sweatpants, and some more coats to ensure diversity of sizes and accessibility to the teens. A member from the Neat Repeats board reached out and told me to ask for money from them for this purpose.
