Subject: Bicycle Pedestrian Advisory Committee

Hi Valerie,

I would like to serve on the Bicycle Pedestrian Advisory Committee. I'm interested in creating safer walking routes to school for students within the village where there no bussing. I'm also an avid runner and cyclist myself who lives in Bristol Village and I want to make our roads as safe as possible for pedestrians, cyclists, and vehicles to share. I have prior experience serving on public school district committees and following open meeting laws and employing strategies for community engagement, including the current MAUSD/ANWSD merger study committee, former Mt. Abe building renovation committees, etc.... Thank you for your consideration.
