Hi Valerie, I am v try interested in being part of the Bike/Ped Committee. I was on the first FireHouse committee looking for the perfect spot to build the new firehouse. This project is very near and dear to my heart. I worked for VBT Bicycling & Walking Vacations for nearly 40 years leading bicycling and walking tours all over the world. I feel I can bring a lot to the table with my years of experience and passion for this project. We moved to the village in 2007 after living in Lincoln for 25 years. Thanks.

Stay safe in your travels,

Gerry Slager
