Redistricting Process: Addison/Rutland Counties

Mari Cordes • mcordes@leg.state.vt.us

When: Feb 2, 2022

The Vermont General Assembly House Government Operations Committee has sent notices to Boards of Civil (BCAs) to start the process of holding hearings with towns across the state to learn what communities would like to see in the redistricting process.

Towns will be invited to testify in House Government Operations starting late next week. **Addison & Rutland Counties are scheduled for February 2, 2022.** If the community is not yet ready to weigh in on this date, HGO will find another time.

The website with maps and current population can be accessed here:
