Hi all,

Due to ongoing, and increasing, disruptions to my family's schedule because of the covid 19 pandemic, I am sad to say that I will have to resign from the Bristol Conservation Commission.

Hi Melanie et al.,

The BCC is getting pretty full of new members. I know you had hoped to someday return to the BCC, but that you've had your hands full during the pandemic. If you would be interested in attending our meetings again this year, we would be happy to have you! However, if you can't participate right now, it would be best for the commission if you could resign your seat so we could transition your term to "vacant". Since I've copied the town admin and a member of the SB here, all you need to do is "reply all" with a sentence or two to officially resign.

When things got tough in 2020, you were such a vital part of the BCC's existence and you'd be so please to see how we've come back since then! I do hope you and you family are fairing well and I really hope you can join the BCC again soon!

Carolyn
