Subject: Planning Commission Terms for 2022

Valerie,

As you organize Board terms that need Selectboard re-appointment, I have reminded those on the Planning Commission that their terms are up for re-appointment. They are Lloyd Dike, Tom Wallace, Robert Rooker, and Melissa Hernandez.

Tom Wallace has declined to be considered for re-appointment. I have not heard either way from the others, so hopeful they will be agreeable for reappointment.

For the slot that Tom vacates, I would recommend it be filled as a 1 year appointment so that we realign classes to 3 slots per year.

Thanks,
Kevin
