Hi Valerie, and Kevin,

Attached is a draft management plan for Memorial Forest Park for review and approval by the Selectboard.

This is the first management plan (that we are aware of) for this park. And it is the first of several park management plans that the Commission is working to complete in accordance with the Bristol Town Plan (Action Item #6 under Natural Resources Section, Page 131). We will be providing draft plans for the remaining town parks in coming months as we chip away at these.

If the SB would like to address this plan during a regular meeting, members from the CC would be glad to attend and answer any questions.

Thanks,  
Kristen
