Valerie Capels, Town Administrator
Town of Bristol

Dear Valerie,

I'm writing to ask for permission from the town of Bristol to use certain roadways during a cycling event known as the Vermont Gran Fondo scheduled for Saturday, June 25th, 2022. Bristol is one of 15 towns through which ~550 cyclists will pass over an eight-hour timeframe. The Vermont Department of Public Safety requires us as event organizers to gain permission from each town and notify each town's police/sheriff department and EMS/ambulance service.

We will sign roadways and busy intersections to ensure the safety of event participants as well as to caution/notify residents and motorists of the event and that there will be riders on the road. We will utilize support from local sheriff departments and Vermont State Police and Vt Flaggers to manage major intersections.

We obtain insurance coverage for the event and I'll provide the town with a copy of the certificate of insurance showing proof of coverage.

The event will start and finish at the Bristol Rec Field at 110 Airport Dr. Bristol, Vermont. There are 3 different courses: ~39 mi (Piccolo), ~80 mi (Medio), and ~109 mi (Gran). Cyclists depart Bristol between the hours of 6 a.m. and 10 a.m. Information on each route can be found on the event website at <http://vermontgranfondo.com/explore-the-course/>.

Depart:

- Start on Airport Drive turning left onto West St/ Rt 17 (controlled)
- Through Bristol center
- Right to Lincoln Road, heading into Lincoln

Return :

- to Bristol via Route 17 from New Haven
- Turn left onto Burpee Rd at the Rt 17/116 intersection
- Turn right onto Plank Rd
- Turn right onto North St
- Turn right onto Pine St
- Turn left onto Liberty St
- Turn right onto West St
- Turn right onto Airport Dr. Finish.

The Vermont Gran Fondo is produced by Ride It If You Can LLC. The members are made up of cycling enthusiasts and athletically inclined tourism and business development representatives. A percentage of event proceeds will be distributed via grants to municipalities and non-profit organizations with the purpose of enhancing bicycling in Addison County through programs, education, infrastructure, and/or equipment.

I'm happy to make a presentation to the town's select board if needed. If that step is not necessary and you approve, would you please respond by signing the form below? If you need more information, please let me know. Your earliest response is greatly appreciated to allow me time to complete state-level permissions.

Best regards,
