Mission Statement

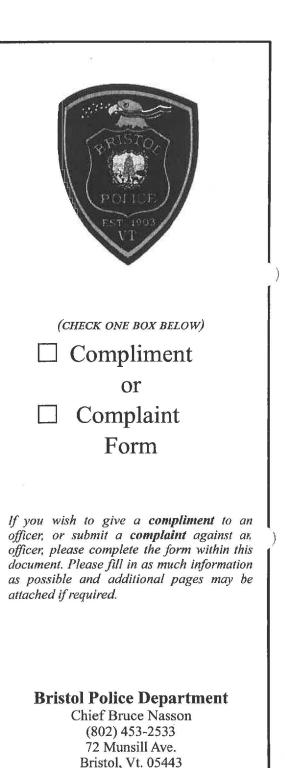

To be the finest small police department in the State of Vermont. We are committed to working together within the department and in problem solving partnerships with community stakeholders to improve the quality of life for the people served by the Bristol Police Department.

Complaints may be submitted anonymously or on behalf of another person. If you do not give your name, it may be more difficult to fully investigate the case. If you file a complaint, it is unlawful and against Bristol Police Departments policies for anyone to retaliate against you for the filing of this complaint.

This complaint form and any other documentation you provide will be forwarded to the Chief of the Bristol Police Department or available Supervisor at the earliest moment. The Chief or Supervisor will conduct an immediate preliminary investigation in accordance with the Bristol Police Department's Internal Affairs / Citizen Complaints department policy.
