Subject: Bristol Water Tank Cleaning - Requesting Approval to Award to Low Bidder

Valerie,

I requested quotes from the 2 tank cleaning companies in this region that can dive the water storage tank while still filled to inspect and clean it. We received the following two attached quotes.

M&K Diving \$3,500
Atlantic Underwater Services \$6,500

Please advise if this needs to go through the board for approval, or if we can proceed moving ahead with the low bidder.

I have experience with M&K's work and would be pleased to have them inspect and clean the tank this year as is due once per 5 years and this is year 5.

Thanks,
