## ACRPC Update

# Vermont 2022 Walk/Bike Summit

**ike Summit** will showcase projects, innovations and advocacy that support increased pedestrian, bike, and public transportation infrastructure, resulting in livable, healthy and vibrant communities. The Summit will take place on **May 6, 2022** at the Town Hall Theater and various locations across Middlebury. The event will include interactive demo workshops, peer exchanges, a highly acclaimed keynote, and a variety of dynamic presentations and topics including advocacy and education, safe and healthy communities, economic development, and the built environment.

[Register Here](#)

[Purchase Tickets](#)

This year's keynote, **Don Kostelec**, is a principal

prioritizes people over the movement of vehicles.

This event is open to all community members, pedestrian and bike enthusiasts, designers, planners and researchers throughout the state.

**Fill out the Event Registration form AND ALSO purchase your ticket** by clicking the buttons above. Learn more about this event at [VTWalkBikeSummit.com](https://VTWalkBikeSummit.com).

## **ACRPC is Hiring!**

The Addison County Regional Planning Commission (ACRPC) seeks to hire 2 interns for the summer months (June – August) of 2022. This position's main duties are field data collection and supporting computer work related to transportation infrastructure and clean water.

## **ARPA Funding Municipal Planning Roundtable**

million in municipal and county funds from the Federal Government through American Rescue Act Funding (ARPA) in 2021 and 2022. This roundtable discussion will cover ARPA Accounting and Reporting requirements and summary of projects currently being undertaken in the region with the ARPA funding.. Selectboard members and administrators, Town Clerks, and Managers are encouraged to attend and bring questions.

The U.S. Department of the Treasury has issued its Final Rule on ARPA spending, which takes effect April 1, 2022 and provides significant flexibility in spending to fund “government services”. Until April, the interim final rule remains in effect and the first round of ARPA reporting is due by **April 30th** of this year.

## Brownfield Sites Sought for Assessment

Do you own or want to develop properties in Addison County but think they might have environmental contaminants from previous activities? These types of properties might include old gas stations, auto repair shops, dry cleaners, landfills, junkyards, industrial buildings, or vacant sites where any of these used to be. These Brownfields are properties which have, or could potentially have, hazardous substances, pollutants, or contaminants. These can significantly complicate the expansion, redevelopment, or reuse of these properties, so ACRPC is working to identify sites so that we can work with interested parties to assess and remediate them. If you have site suggestions or plans to purchase one, please contact ACRPC planner, Andrew L'Roe ([alroe@acrpc.org](mailto:alroe@acrpc.org)).

## PLANNING

# Community Grants

---

### **Equitable and Inclusive Communities grant program**

In cooperation with the Vermont League of Cities and Towns and the state of Vermont's Office of Racial Equity, the Vermont Community Foundation is seeking proposals from Vermont villages, towns, and cities that close the **opportunity gap** by supporting local efforts to foster inclusion and belonging for people of all races and backgrounds. We recognize that Vermont communities are starting in different places in their work on equity, inclusion, and belonging, and that communities will need different things at different times. We welcome communities at all stages of learning. Grants are up to \$10,000. Applications are accepted on a rolling basis. Learn more, and see the evaluation criteria and application requirements, [here](#).

### **Vermont Community Development Program Grants**

**Due: April 12**

The Vermont Community  
Development Program
