Subject: Departing Senator Leahy's Office

After twenty incredible years on Senator Leahy's Washington and Vermont staffs, today is my last day in the Senator's office. The past two decades working in support of the people of Vermont have been an absolute joy and I will be forever thankful for the opportunity to collaborate with such an amazing assortment of communities, partners and friends.

On March 24th the US Senate confirmed my nomination to be the Federal Co-Chair of the Northern Border Regional Commission, a relatively new federal agency with a mission of strengthening rural economies across Vermont, Maine, New Hampshire and New York. Starting this Monday you can find me at the Commission contact info below, or via my personal email and cell phone. While the NBRC maintains an office in Concord, NH, the agency operates fully remote and I'm happy to say that I'll continue to be based out of Vermont.

The Senator's team remains hard at work on behalf of Vermont constituents, and if you need any assistance from his team I encourage you to reach out to them at (802) 863-2525.

Wishing you all well,

Chris Saunders, Field Representative
Office of Senator Patrick Leahy
