We are in process of replacing or purchasing required equipment. Attached is a worksheet with cost for those items.

As we continue to review requested information, cost may change due to inventory availability. For weapons, evidence management and storage system, requesting use of capital equipment funds up to \$12,000.

Watchguard replaces Axon cameras. We would be adding an additional body camera and vehicle camera system.

We currently pay \$4,750 per year for Axon, Watchguard would be \$5,480 per year.

If we pay more toward the first Watchguard payment, yearly/final cost would be reduced.

I propose we utilize what was budgeted for Axon this year, that is not spent, and potential remaining capital equipment funds toward Watchguard year payment due at the end of the year upon execution of agreement.

Equipment Replacement/Purchase				
#	Item	Per item	Total	
3	16" patrol Rifle	\$499.99	\$1,499.97	Palmetto State Armory
