Regulating Cannabis

What Vermont Municipal Officials Need to Know

Tuesday, May 24, 2022 | 10 AM - Noon | Via ZOOM

WEBINAR | What's it all about?

At town meeting this year, many municipalities voted on cannabis-related articles. **Whether your town newly approved retail operations or might consider them in the future, this training will orient you to what these operations entail.** Representatives from the Vermont Cannabis Control Board (CCB) will review the role of the CCB, the administrative rules regulating cannabis, and plans for the future. They will describe municipal authority to regulate cannabis establishments and how it relates to zoning bylaws, public nuisance, licensing, and local cannabis control commissions.
