Subject: RE: Graduating Senior Banner

Hi Shannon,

The Selectboard has authorized me to approve the banner application, but for this year only, not annually. This will be ratified at their next meeting on June 13.

The application file appears to be protected in some way and will not let me add any text or my signature, so this e-mail will need to do.

I/we hope it will be a memorable occasion for all.

Subject: Graduating Senior Banner

Dear Bristol Selectboard,

And just like that, June is next week and graduation is the following week. To say this school year has been a whirlwind is an understatement. In the flurry of supporting the increased needs of our students and staff, coupled with increased hiring needs this year, I lost sight of the date to submit the application to hang the graduation banner in town.

I am hopeful that you are able to grant the Town Administrator the authority to approve the attached application, or, allow us to hang the banner and retroactively approve at your next meeting. On the application form instead of a date specific to this year I have put 'annually' so that the application doesn't need to be submitted each year, we would hang and remove the banner within the same time frame each year.

I appreciate your time and consideration of my request.

Respectfully,

Shannon
