Subject: 30 Day Extension Request

Hi Ian..

Please find attached a short letter to the Vermont Department of Taxes requesting a 30 day extension on submitting our grand list to Property Valuation and Review (PVR) as required by 32 VSA §4111,4341. This letter has to be signed by the Chair of the Select Board.

We are cautiously optimistic that we might be able to meet the deadline of filing our Grand List Abstract by the June 4, 2022 due date, however if we have any interruptions in the next few days beyond our control, we would not meet the statutory deadline. Our PVR District Advisor has advised us to file this letter which will enable us to re-check our work prior to submitting our grand list by June 10, 2022.

Thank you and if any questions please feel free to call.
