

Sylvia Coffin 5/28/2022

To the members of the Bristol Select Board,

I wish to thank you for following through with my request for the Town to replace the old "Welcome to Bristol" signs! I was very pleased to see a new sign being installed where the old one was on my land last week. It is quite an improvement, simple and to the point. The designer did a good job. It will probably last my life time. I am grateful to live in Bristol these past 66 years. Good to be here.

Thank you all for your good service on the Select Board, an important service to the Town.

Happy Fourth,

Sincerely,

Sylvia Coffin
