Dear Vicki and Greg West:

The Bristol Police Department has received and responded to numerous complaints regarding an on-going problem with your dogs running at large and/or exhibiting aggression while on other people's properties.

Police Chief Nason informed you back in March 2022 that your dogs need to be registered. To date, there is no current record of registration of any of the dogs in your name or at the current address.

You have been informed on numerous occasions that dogs running at large and not being registered are in violation of the Bristol Dog Ordinance (attached/enclosed). You have already had one or more hearings before the Selectboard on these matters related to other occasions.

This letter serves as official notice that a hearing has been scheduled with the Selectboard for Monday, July 11, 2022 in accordance with Section 125-9 of the Bristol Dog Ordinance. A copy of the agenda is enclosed.

The Selectboard will consider penalties or other remedies under the Town of Bristol Dog Ordinance and State Statutes for failure to control and register your dogs. You will be provided an opportunity to provide testimony on the matter.

Sincerely,

Valerie Capels
Town Administrator
