Hello Valerie & Eric,

The trash sort work has been completed. The garbage is in the dumpster and the soil has been spread on the bank. I have a few small items to put in the dumpster and one final punch list item to complete over the next 2 weeks or so. Once we are done I will pull the dumpster and portable toilet. The tires that were part of the trash pile can't go in the dumpster and will need to be dealt with by the town as discussed yesterday with Eric.

Kingsbury will invoice you per the quote. Reach out to me with any questions.

It has been a great experience working with and getting to know you both. Eric - You & your crew were fantastic to work with. You guys are a great asset to the town of Bristol. Please give my thanks to everyone there.

Thanks & be well,
Nick
