Subject: Bristol VT / Childhood Cancer Awareness Week / October 23 - October 29

Dear Chair Albinson, Vice Chair Senecal, Select Board Members and staff,

We hope you are doing well during this challenging time. We are writing to request a proclamation recognizing October 23 - October 29 as Childhood Cancer Awareness Week in Bristol. It's that time of year again!

Cancer is the leading cause of death by disease among children in our country today. This tragic disease is detected in more than 16,000 of our country's young people each and every year. We are truly grateful for Vermont's many years of support.

The Lions Club of Barre will sponsor the request this year. Constituent Mark Tatro of Barre is the Club's president. We will also collaborate with the Boys and Girls Club of Burlington to create beautiful handmade cards for hospitalized children.
