Hi Valerie,

I hope you are doing well. As you know, The Watershed Center has held a winter solstice gathering on December 21 at our land on Plank Road for many years. Attendance has ranged from 10 - 50+ people. Due to the small parking lot, attendees parked on the shoulder of the road in a designated stretch. It worked quite well. The Town's policy changed a while back. Bruce Nason, Bristol Police Chief, has kindly said it was no longer OK to park on the shoulder. He added that it is not their custom to patrol out there unless there is a complaint. I am checking to see if there is any way for TWC to obtain a variance with that policy. I will stop by your office this afternoon. Many thanks Valerie!

Best,
