Community Engagement for By-Law Zoning Activity

Request to consider amending the zoning requirement for owners of a lodging facility to live on-site. Rationale - as proprietors of the Bristol Suites and owners of the Dunshee Block in which the suites are located, he and his wife, Carol, have increased the number of available guest rooms from one in 2004, to currently seven. As such, the definition of a Bed and Breakfast in the Unified Zoning Bylaws should not apply: “A place of lodging located on owner-occupied single-family residential property, which provides not more than 6 rooms for occupancy by transient guests for compensation and which serves meals only to overnight guests and not to the general public.”
