Hi

Hardscrabble Cemetery was hit hard with downed trees. Gregg Butler called me yesterday to let me know and I asked him to provide a quote. The quote is below and attached are some pictures of the downed trees. He also said some of the stones are damaged as well.

I told him that I would put it on the January 9, 2023 Selectboard Meeting Agenda. This work could be done now or in the spring. Gregg mows that cemetery for us.

Thanks.

Hi Sharon,

I've attached some pictures of the cemetery. The damage is much worse than I thought from the road. There are about 10 trees down and some are quite big. We'll need equipment to move the bigger logs. All debris removal and clean up is included.

My estimate for removal would be \$2,500-3,500

Thanks Sharon,

Gregg
